### Raffle Cancellation Process Determination Letter

This letter is to document and clarify our office's consideration of the statutory requirements related to the cancellation of a calendar raffle pursuant to Wisconsin Statute § 563.93(2g)(f).

"Refund the drawing receipts to the ticket or calendar purchasers if a drawing is canceled. The organization may not deduct from the refund a handling charge or other amount relating to the expense incurred in the sale of a ticket or calendar. The organization may not reclaim any prize awarded in a drawing that has already been held at the time a calendar raffle is canceled."

Based upon this statutory language, and the documents provided by your organization, our office is considering this matter aligning with our administrative procedures and cancellation process. Our office does not independently verify each of the repayments to ticket purchasers.

Our intent is to ensure that all policies, communications, and operational procedures remain compliant with applicable statutory obligations and are administered consistently and transparently.

*Please retain this correspondence as part of the ongoing review and compliance consideration process. Should additional clarification or documentation be required, our office will provide further guidance as appropriate.*
