The Republican Party of Wisconsin Endorsements

The state convention was held May 15th – 17th. RPW reports that the following individuals received the endorsement of the state party:

Tom Tiffany for Governor
Will Martin for Lieutenant Governor
Eric Toney for Attorney General
Nate Pollnow for Secretary of State

RPOC was represented by Ken Sikora, Chair and Jeff Folts, Vice Chair. Ken reports the following *"In a huge win for transparency we had our chairman's round table with no NDA.*

Then on Saturday all candidates got to speak . Big changes are starting to happen, and this is great news for Wisconsin. Tom Tiffany not only got the parties endorsement for Governor but took the time to visit Patriot Groups outside the convention Friday night. Tom started his political journey in the patriot groups and understands that in order to win we must embrace all sides of our party . As a former small business owner Tom understands and embraces all that makes Wisconsin great. From our Friday fish fry's to pull tabs, old-fashions and cheeseheads he understands what makes our state great and will make an amazing Governor."

Tommy Thompson opens his remarks with 20 pushups!

Ken Sikora with Will Martin. Will won the RPW endorsement for Lieutenant Governor with 73% of the vote.

Turning Point Action is well represented. Thank you Midwest team...
